No. TB-0007A, Release Date 2/25/2021

### Rattler® Bar Dispenser Valve Colorant

Dear Valued Customer,

Taprite is initiating a running change on the valves used on all Rattler® Bar Dispensers. The gray colorant has been removed from the syrup valves and the new valves will now be produced in natural colorant (like the water/soda valves). Since the syrup and water valves will be the same color all flow control spare soda and water valves will now include their respective labels.

**NOTE:**

This change was phased into production starting with serial # PBD 250221-041. During our inventory transition you may see gray and natural syrup valves on new bar dispensers, this will not affect the reliability or usability of the bar dispenser. Once the transition is complete every valve on the dispenser will be natural color.

Spare part numbers affected are listed below:

Part Number	Item Description	Change Detail
639-0060-SP	VALVE ASSY, FC, LONG-OUTLET, SYRUP, COMPACT BG	Natural colorant
639-0061-SP	VALVE ASSY, FC, SHORT-OUTLET, SYRUP, COMPACT BG	Natural colorant
639-0062-SP	VALVE ASSY, FC, SODA, COMPACT BG	Label added
639-0063-SP	VALVE ASSY, FC, WATER, COMPACT BG	Label added
639-0064-SP	VALVE ASSY, FC, LONG-OUT, DIET, COMPACT BG	Natural colorant
639-0065-SP	VALVE ASSY, MC, LONG-OUTLET, COMPACT	Natural colorant
639-0066-SP	VALVE ASSY, MC, SHORT-OUTLET, COMPACT	Natural Colorant
639-0068-SP	VALVE ASSY, MECHANICAL, WATER, COMPACT BG	No Change
639-0069-SP	VALVE ASSY, MECHANICAL, SODA, COMPACT BG	No Change

We appreciate the opportunity to work with you and for your continued loyalty and support of the Taprite brand.

Old (Left) versus New (right), side by side comparison of PN's 639-0060-SP, 639-0064-SP, and 639-0065-SP.

Old (Left) versus New (right), side by side comparison of PN's 639-0061-SP, and 639-0066-SP.

Updated water and soda valves, PN 639-0062-SP and 639-0063-SP.
